## **II. Covenant Principles for Faithful Priesthood Ministry**

Priesthood faithfulness begins with faithful discipleship. Faithful discipleship emerges from ongoing faith and spiritual formation. The constant call is to follow the Living Christ and to abide in increasing measure in God's love and vision for creation. Being comes before doing.

The following expectations will help me serve as a faithful priesthood member. In response to God's sacred call and priesthood authority granted by Community of Christ, **I covenant to...**

- Engage in ongoing faith and spiritual practices to deepen my relationship with God and others through study and spiritual formation.
- Affirm and promote Christ's mission of invitation, compassionate ministries, and justice and peacemaking; helping prepare others for Christ's mission; and partnering with other priesthood in leading congregations in Christ's mission.
- Provide ministry consistent with the church's identity, mission, message, and beliefs as expressed in *Sharing in Community of Christ: Exploring Identity, Mission, Message, and Beliefs*, 3rd Edition ([www.CofChrist.org/ourfaith/SharingCofChrist-3ed.pdf](http://www.CofChrist.org/ourfaith/SharingCofChrist-3ed.pdf)) and other current official documents.
- Model an ethical, moral, and holistic lifestyle.
- Model generosity as a regular contributor to mission tithes (local, mission center, and worldwide ministries), according to my true capacity.
- Protect the safety and well-being of children and youth, including, where applicable, being a Registered Children and Youth Worker.
- Actively participate in congregational life or similar church expressions when congregational life is not available.
- Participate annually in educational or spiritual-formation experiences offered by my congregation, mission center, apostolic mission field, or World Church.
- Develop and implement a plan for ministry that uses my gifts to advance Christ's mission.

Consider the candidate's strengths or areas that may need improvement in regard to the above covenant principles.

### III. Ministerial Expectations for Office of TEACHER

A priesthood candidate will not likely demonstrate strength in all of the expectations of the office to which they are called. It is to be expected that they will grow and develop greater capacity for some of the ministerial expectations, though may never feel comfortable in, or fulfill, some of the competencies/expectations of an office.

The duties and responsibilities for the office of teacher in the Community of Christ are grounded in scripture (found in the Doctrine and Covenants) and influenced by the traditions and expectations of today’s church.

See Doctrine and Covenants Section 17 and 83, Chapter 5 of *The Priesthood Manual*, and *Ministry and Priesthood* brochure.

Please indicate your perception of those role expectations that you see the candidate demonstrating with strength at this time or those that (s)he has the potential to develop. Please use an “X” to indicate your perception.

<b>Expectations for Ministry</b>	<b>Current Strength/Gift</b>	<b>Potential to Develop</b>
