*"Participating in the Central USA Mission Center online communion worship services was very formative for our family. Even though online, we loved the sense of community and connectedness we shared with neighboring congregations. It allowed us to connect, share ideas, and worship with a broader base of members and seekers in Christ."
-Chad Godfrey*

"How might we think, speak, and interact differently as disciples of the peaceful One?"
— President Stephen M. Veazey

Toward a Future of Peace

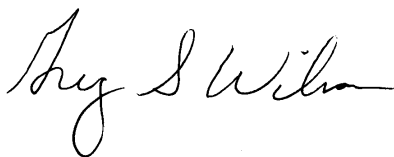

Dear Friends,

As Central USA Mission Center you are creating and living transforming pathways as disciples of Jesus. Your covenant relationship with Jesus Christ, expressed in Community of Christ, is modeling for others a way of life that can bring meaning, hope, purpose, and peace. Together we are ONE.

In our culture it is easy to think each person is independent of anyone else, that our choices and decisions effect only ourselves, but that simply is not the case. The Apostle Paul reminds us in Galatians 3, “So in Christ Jesus you are all children of God through faith, for all of you who were baptized into Christ have clothed yourselves with Christ. There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus.” In Central USA Mission Center we will not be defined by where we attend, where we live, what ministry we support, or how we respond as generous disciples. We will be defined by sharing Christ’s unifying love with the community.

As we move forward together, discerning and creating a plan toward a future of peace, we must rely on one another, act as one body, and invite others to join us in this community that has changed us for the better. President Veazey has asked, “How might we think, speak, and interact differently as disciples of the peaceful One?” This question is key to discovering how we can successfully communicate our 191-year-old witness of the risen Christ, who is still speaking, still calling, still revealing himself to the world today. People are yearning to experience God’s love. Let’s embrace one another and move forward together as we explore new avenues for sharing the Good News!

Together in Christ,

Greg S. Wilson

CENTRAL MISSION YOUTH MINISTRIES

Youth Ministries Development

- Youth Council
- Congregational Youth Ministries
- Youth Worker Trainings
- CIT, Director, Camp Staff Trainings
- National Community of Christ Youth Forum
- American Camping Association Workshop

Elevate

Elevate is an opportunity for 6th-12th graders to come together for fellowship, games, interactive activities and conversation surrounding meaningful topics. Throughout fall of 2020 Elevate focused on the struggles and injustices depicted in the Old Testament of the poor and displaced. Utilizing the knowledge gained from these conversations we were able to parallel the difficult situations our world is facing today in order to learn how we can be advocates for God's justice.

Summer Youth Camps

Central Mission Youth Ministries successfully hosted four youth camps during the Summer 2021 camping season at Lake Doniphan. More than 85 families received \$28,942.50 in camperships provided by Central USA Mission Center congregations. With a team of 65 incredible camp staff volunteers, we were able to serve a total of 179 campers. Collectively, our staff donated more than 5,256 hours of their time to ensure our campers had a safe, fun, meaningful, and Christ-centered experience. The summer youth camp programs continue to be the leading ministry of Central Mission Youth Ministries. As a Mission Center, we are committed to ensuring their future success.

	High School Camp	Middle School Camp	Junior Camp	Children's Camp
# Of Campers	71	49	46	13
# Of Staff	22	18	28	7

In Summer 2021 camp staff donated 5,256 hours of their time. Total onsite hours valued at \$20 per hour equates to \$105,120 worth of time donated to our Summer Youth Camp Programs.

Looking Toward the Future

Central Mission Youth Ministries remains devoted to serving our youth throughout our mission center. As we look towards the future, we are hopeful to engage and connect our youth in new and exciting ways. Plans for Elevate are in the works with a focus on exploring their relationship with Christ. The Central Mission Youth Council will resume meetings this fall, to continue developing and implementing strategies that will change the lives of our youth. Central Mission Youth Ministries continues to work with leaders throughout the United States to organize a National Community of Christ Youth Forum, providing space for church volunteers and leaders to share about youth ministry ideas, projects, and resources. To close out 2021 Central Mission Youth Ministries will host a Christmas retreat in December to provide an opportunity to come together in a sacred community to offer fellowship and discipleship formation.

"I left retreat more positive and happier than I was before. Connecting with church friends and deepening my relationship with Christ was just what I needed."
– High School Camper

COMMUNITY DEVELOPMENT AND INVITATIONAL MINISTRIES

Mission Matters

The continuation of outreaching ministry at the Mission Center Level is vital to the success of Community of Christ. As we continue working towards creating communities of peace, mission must remain our top priority. Our mission initiatives of invite people to Christ, abolish poverty, end suffering, pursue peace on earth, developing disciples to serve, and experiencing congregations in mission should guide us as we work to serve our community.

Invitation is Central

Invitation is the key to who we are called to be as Christians. When Jesus gave the Great Commission, we were challenged and assigned to invite people to him. Do not underestimate the significance invitation plays in our lives and the lives of others. We must embody the welcoming spirit of Jesus Christ and share the love of God with all whom we encounter.

Community Development

Community development will be central to the future of our church. We must develop structures which improve and value the lives of all persons. The implementation of proper community development strategies will equip Community of Christ with the tools necessary to create resilient and diverse communities that are able to sustain and support the ministries of the church. Our utilization of community development strategies must remain steadfast to the creation of peaceable kingdom.

“With more awareness of each others’ stories, needs and gifts, we can work more effectively in creating God’s shalom in our part of the world.”
