

## **COVID-19 Policies & Procedures Information**

For Retreat Winter Retreat 2021 Parents, Guardians, Staff and Campers

### Before Arriving at Camp:

- Maintain strict COVID-19 safety guidelines for 10 days before your event.
- All participants who attend must complete the "Lake Doniphan Pre-Screening Form." The form must be completed and turned in during check-in.
- Read and sign the COVID-19 waiver attached to participants' Active Network registration form.
- Bring at least four face masks to use during retreat, which include the campers' initials.
- Make sure all fees are paid in full at least one week prior to the start of camp/reunion.

### When Arriving at Camp:

- Only one parent or guardian can arrive with a camper during the check-in/checkout process, no additional family members are allowed.
- Parents or guardians not participating at the event will not be allowed in the cabin room.

### During Camp:

- **Masks:**
  - Must be worn universally in all indoor locations other than while eating, sleeping, showering, and brushing teeth. Participants do not have to wear a mask in their mini lodge room.
  - Masks are required to be worn during outdoor activities when 6 feet distance cannot be maintained.
  - We do not allow the use of face coverings or masks that have exhalation valves or vents that allow virus particles to escape.
- **Cleaning:**
  - Handwashing or sanitization will be part of daily schedules.
  - Doniphan will have an elevated cleaning schedule, to ensure safe and clean environments.
- **Cohorts:**
  - Doniphan will be using cohorts or family groups to reduce the risk of transmission.
  - Cohorts will be divided into cabin groups. Middle & High school retreat participants will have limited interaction for the safety of the camp.
  - Cohorts will organize staff and campers into "households" who will live, eat, wash, and do many group activities together. Cohorts will be your primary community for camp.
  - Some activities may allow for cohort groups to mix, such as elective classes or big events.
- **Meals:**
  - Cohorts will need to eat together.
  - All food and drinks will be served by designated staff, including breakfast & salad bar.
- **Other:**
  - It is highly recommended the participant receives a vaccination if the participant is eligible.
  - Daily temperature checks will be implemented.
  - Participants will not be able to leave the grounds and return to camp during the middle of the experience.
  - Campers in mini lodges will be required to keep their personal belongings in their designated spaces.
