DOGS PEOPLE -VS- CAT PEOPLE AT CAMP

Saturday

Skits, Icebreakers & Free Swim

On our first night of camp each cabin did crazy skits representing the camp rules. The rest of the campers had to guess what rule was being acted out. It was pretty silly. We then went to the pool for non-stop swimming and 9-square to get to play with friends, old and new.

Sunday

Campfire Feast!

We made our own dinner! Each camper got to select meat and veggies, foiled them up and placed the meal on the coals to cook. It was delicious! We then followed up by cooking our own corn on the cob, banana boats (bananas with chocolate and marshmallows), watermelon, made s'mores...AND...carved our own stick for roasting. It was a full night and so were our bellies.

Monday

Water Games, Water Slide, Bounce Houses

Monday night was amazing! We had water games at the pool. There were several stations set up and we divided into teams to compete. We went from one station to the next and had fun with the challenges at each station. We then soaped up and slipped down the waterslide and bounced away in the bouncehouses.

Tuesday

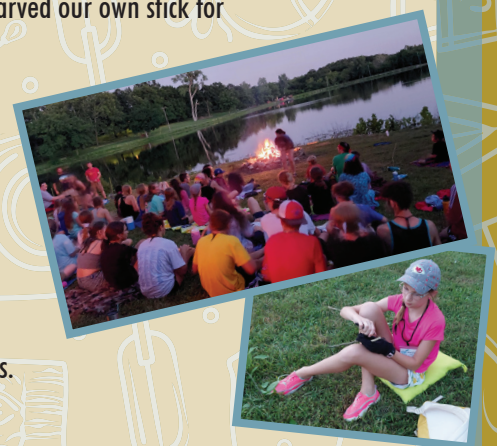

The Game, The Trail

Tuesday was the epic competition known as, The Game. This year it had a twist adding in a trivia portion. Then we went on a trail starting at one campfire and ending at a completely different campfire. Along the way, we were able to peacefully walk, pray and think about the 7 virtues that we found along the way (Love, Joy, Peace, Patience, Kindness, Faithfulness and Self-Control), and how we want to incorporate those into our lives.

Wednesday

Dive-in movie, popcorn

On Wednesday night we had a dive-in Movie. We got to swim in the pool and then they started playing the movie (Man of Steel) and they had trash bags full of popcorn to enjoy!
